

Hello friends of the Greater Fall River Art Association!

We are embarking on a new project to renovate our beautiful home. As one of the grand Dames of Fall River we are fundraising just for her.

Our first project is to re-do our porch. The granite base needs re-pointing and resetting the granite. The deck, columns, and spindles are all in need of repair – water damage from a previously leaky roof has taken a toll.

We are asking the arts community to be a part of this project. We have 167 spindles and 17 columns that are “for sale.” As a fundraising effort we are asking for donations in the following amounts:

SPINDLES - \$50 each
COLUMNS - \$500 each

There will be a plaque with names engraved for all the friends of the Association who choose to participate in returning our porch to its beauty. Memorial donations can be made as well.

Would you consider helping us with this effort?
