The Greater Fall River offers and encourages a community of artists, art lovers, crafters, artisans and others who are welcome in our historic mansion at 80 Belmont St. As members, you contribute to the vitality of the art scene. We offer many workshops and classes in all media (for all ages), paint parties, basket & jewelry making, holiday parties, and offer a minimum of two member exhibitions yearly. We are a non profit organization relying on our membership to continue our mission of bringing the arts to the Greater Fall River Community. Interested in Volunteering?
